Assessment & Treatment Associates (ATA) is considered to be the Puget Sound area's "premier evaluation and treatment agency." ATA is one of a very few agencies that is multi-licensed to provide evaluations and treatment in the areas of alcohol, drugs, domestic violence and mental health.

An alcohol or drug problem involves a combination of factors that are unique to each individual. Your successful change or recovery begins with a comprehensive drug and alcohol assessment by our highly qualified counselors, and treatment is dependent on your commitment to an individualized program that considers both your strengths and needs.

Our Addiction Treatment Center Approach:

- Our initial drug and alcohol assessment followed by addiction treatment services are flexible and take into account work, school, family and other life demands.
- We provide personalized addiction treatment services that focus on the needs of the whole person. We have a broad spectrum of services addressing prevention, recovery, emotional health, and overall wellness.
- We understand the complex dual relationship between substance abuse and mental health. Our specialists help bridge the gap and clinically identify and treat emotional problems to maximize your chances of success.
- We provide a variety of services for those involved with the legal system.

Vern first opened his doors in 1952 with an eye on the future and a vision to help the community by filling a need that was nearly impossible to obtain. His plan is still thriving today:

- Find a way to say "Yes" to each individual client
- Support our community
- Have fun along the way

Sounds simple, but with the way the world has changed, not every client has the time to do business face to face the way that Vern did. So we do some things differently, E-signatures, free "Vern Fonk" mobile app, communicate through Facebook (Like Us!) and Twitter (Follow Us!). We understand your busy schedule and want to offer you every option possible to make working with Vern Fonk as easy as possible. Of course we do not want to take away the personal touch and invite you to come visit us anytime you need.

If you should find yourself in need of an SR-22, Vern Fonk is who you want on your side. Vern Fonk is your SR-22 specialist, utilizing its large network of insurance carriers, Vern Fonk can find fast and affordable insurance solutions tailored to your needs.

Of course, Vern Fonk can offer insurance solutions to most any need, it offers great rates for preferred auto, homeowners, motorsports and commercial to name a few. Whatever the insurance need, Vern Fonk can help!

At Lacey O'Malley Bail Bonds, we understand that sometimes bad things happen to good people. We treat all our clients with dignity, respect and compassion.

We are the oldest and most highly regarded bail bond business in the Puget Sound area. We are a family owned business since we were established in 1945.

Our experience, professionalism, and reputation within the legal community is part of why we are the most knowledgeable and trustworthy bail bond company in Washington. We are proud of the long-standing relationships we have built with attorneys, other bail agencies, and the many outstanding members of the judicial and law enforcement communities.

Lacey O'Malley is a member of ExpertBail™, the only true national bail bond organization. ExpertBail and Lacey O'Malley are both backed by AIA, the oldest and largest family of bail bond insurance companies, providing you with over 175 years of stability, trust, and knowledge with every bond we write. We are fully authorized to post bail in any of the states that recognize commercial bonds.

We will work closely with your attorney and your family to expedite the posting of bail on the best possible terms so that you are quickly released from custody.

We offer a special rate to clients of private counsel attorneys so remember to mention this when we are writing your bond.
